4. The figures for the corresponding previous period have been regrouped / rearranged wherever necessary, to make them comparable.

5. COVID-19 pandemic and response thereon including lock down restrictions have impacted most of the industries. Consequent to the continuing nationwide lock down since 15th May 2020, the Company's operations were scaled down in compliance with applicable regulatory orders. Subsequently during the year after the lock down restrictions were lifted the Company's operations have been scaled up in a phased manner taking into account directions from various Government Ministries. The impact on future operations would be a large extent, depend on the performance of the government and the resultant impact on the operations of the Company. The Company continues to monitor the situation and take appropriate action, as considered necessary in view compliance with the applicable regulatory.

The management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the period ended December 31, 2021 and has concluded that there is no impact which is required to be recognised in the financial statements. Accordingly, no adjustments have been made to the financial statements.
